

GRIMSBY TOWN FOOTBALL CLUB

BEREAVEMENT POLICY

Throughout the years, Grimsby Town Football Club has assisted families of those who suffered losses in a way to help with their grieving and celebrate the lives of those in question.

We receive numerous requests on a regular basis to acknowledge the passing of loved ones, from tannoy announcements to scoreboard presentations and applause. Whilst the club will always try their best to accommodate family's needs and requests, it is the club's policy that the wearing of black armbands and/or a minute's applause and/or silence is strictly reserved for former players, club officials or those as directed by the English Football League or the Football Association. Unfortunately, we are also unable to permit the internment or scattering of ashes.

To celebrate the lives of those that have been lost, Grimsby Town Football Club will use the scoreboard on the final home game of each calendar year to list and display any fallen supporters during the year. For those wishing to present their loved ones in this way, must complete an online form which can be found within the club section on our Official website.
